Darke Co. Jr Fair Board Meeting

January 22nd 2026

The meeting was called to order at 7:30 by Vice President Grace Graff. The secretary's report was read by Kensey Homan. The treasure report was read by the assistant treasure who noted of a balance of \$24283.34 in checking account. A motion was moved by Brooklyn Miller to accept the reports and seconded by Hallie Case. Motion approved.

Old business

The Jr fair Board discussed a service project at the community center from 930- 130 on December 6th. We then went over rule changes for the fair book. Following this we discussed the Skillaton dates for each species with the alternate online options. Reminder that online will not count towards overall exhibitor. Finally we discussed the market weight changes. There was a motion by Brooklyn Miller to accept the changes and a second by Isabella. Motion passes with all ayes.

New business

We discussed the idea of having to complete 5 hours of community service to receive your Jr fair pass. After discussion we came to the decision to not accept that idea. As we have many new members we did a bonding exercise with random groups. The kids were split in to two groups to where they had to decorate cookies based off a theme. This was a fun way to get to know some of the new members and also a way to connect with each other.

Advisor Announcements

Betsy brought before the board to reimburse her the money that she spent on the gift for Christof Kellers family from the Jr Fair Board. Motion was made to accept by Lincoln Winner and seconded by Ethan Subler.

Reminder that there will be no February meeting. The next meeting will be on March 12 and April 9th.
