Old Business:

Greenbook - any more changes?

Discussion on changing the time of the boer show on Sunday. The committee decided to leave the time the same.

There are no more changes to the green book.

Update on Kara Durst Show box - still waiting to hear back from Weavers.

New Business:

Darke County Breeders - We would like to highlight Darke County Breeders on Facebook. We started making a list of ones we know. If you know of a Darke County Goat Breeder let someone on the committee know. We would like to inform our exhibitors of ways they can buy in county goats.

Open Show - We need to start looking for judges, sponsors, etc. Check with Wintrows for vinyl banners for grand and reserve.

Sale Committee Update - The sale committee is working on changing to an online format. The fairboard is going to vote on it during their next meeting. This change would eliminate the goat sale, and only the champions and awards will be recognized during a special ceremony. Additionally buyers would need to put their bids in online.

Dylan Hesson motioned to add **Olivia Schmitmyer** to the goat committee. (10 yes, 0 no)

Eric Stump motioned to add **Barb Spitler** to the goat committee. (10 yes, 0 no)

Rorie Stump motioned to add **Christyana Roberts** to the goat committee (10 yes, 0 no)

Rorie Stump motioned to adjourn the meeting with Laney Fourman 2nd.

Look on facebook for when the next meeting will be.
