DARKE COUNTY JUNIOR FAIR

The Darke County Junior Fair program is planned and conducted by members of the Junior Fairboard, 4-H, and FFA Advisors.

The purpose of the Junior Fairboard is to promote and encourage agriculture, industry, education, science, art and other interests of the youth of Darke County; to increase the interest among youth groups for actively exhibiting at fair time; to give them a voice in program policy toward improving the quality of the Darke County Fair; and to have youth working with adult volunteers in planning and conducting events.

Members of the Darke County Junior Fairboard represent various livestock and other project interest groups of 4-H and FFA members, as well as Girl Scouts, Boy Scouts, Gateway Youth, Boys & Girls Club, We are the Majority, Farm Bureau Youth and FCCLA. All youth organizations are invited to participate.

Special events planned and conducted by the Junior Fairboard are: Junior Fair Youth Activities, King and Queen Contest, Showman of Showmen Contest, and Junior Fairboard Elections.

In addition, Junior Fairboard members assist in conducting all Junior Fair livestock shows and Youth Building Junior Fair events.

JUNIOR LIVESTOCK SALE BUYER INFORMATION

A few weeks before the fair, YOUR BUYER NUMBER that you can use for ALL SALES will be sent to you, via USPS. You do not need to get a new number at each sale, but you MUST tear off the appropriate completed perforated card that is attached and turn-in the buyer registration card at the buyer registration table at each sale. Please make sure that the name and phone number of the person doing the bidding for each appropriate sale is listed. Please make any corrections to the business name and address as printed on the sign-in cards. If you're a new buyer, you can sign-up for a buyer number at the sale.

All beef, lambs, hogs, or dairy beef purchased with the buyer number on a yellow card will be sent to the "packer" and you will be billed for the bid price only.

An invoice for all livestock purchased at the livestock sales will be sent within 10 days of the livestock sale. Buyers will be billed on one invoice for all animals purchased and will be asked to write one check to the Darke County Agricultural Society. **Credit cards will be accepted with a service fee.** Since Exhibitors will not be paid for the animals that are sold through the auction until all of their buyers have paid, we request that invoices be paid as soon as possible and no later than September 30, 2023. Past Due balances will be charged 1 1/2% service fee or a \$1.00 flat fee after the 30 day period. Any outstanding balances as of December 1, 2023 will lose Fair related privileges such as Fair Camping, Fair Box Seats, Fair Vendor privilege contract etc. if the outstanding buyer is associated with any of these privileges. If the Darke County Agricultural Society does not receive a buyer's payment before December 31st of the current year, those delinquent buyers may be announced by the Board of Directors to the local newspapers and radio station. Delinquent buyers from any previous Junior Fair Livestock Sale will be unable to obtain a buyer number at any future Junior Fair Livestock Sales without the Junior Fair Livestock Sales Committee President's consent.

Exhibitors will be informed from the Sale Committee of the name(s) and address(es) of their buyer(s), and the amount of your purchase. Exhibitors are strongly urged by the Junior Fair Livestock Sales Committee, the Darke County Agricultural Society, the Darke County Extension Office, and their club advisors to send a note of thanks to all of their buyers.

If a group of buyers will be purchasing a lot jointly, a Multiple Buyer form must be completed for each lot. The signature, buyer number and phone number of a registered buyer must be provided at the bottom of the Multiple Buyer form before it will be accepted at the sale. In the event that one or more of the multiple buyers does not pay for their portion within 60 days, the buyer signing the multiple buyer form will be invoiced for any outstanding amount.

JUNIOR LIVESTOCK**TAMPERING AND/OR MISREPRESENTATION**

TAMPERING AND/OR MISREPRESENTATION as to breeding, age, ownership, custody and any other irregularity in showing will be considered fraud and deception.

To maintain a high degree of confidence and integrity in the livestock shows, the agricultural society reserves the right to disqualify any animal fitted in an unethical manner and disqualify the exhibitor and the exhibitor's assistants who fitted the animal involved.

Unethical fitting shall include any and all cutting or tearing of the hide, cutting or tearing underneath the hide or removing of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dying or coloring of hair, adding artificial tailheads, switches, polls, hair and heels, as well as any attempt to change the conformation and degree of firmness, by administration of fluids or air internally or externally in a liquid, solid or gaseous state. **THE USE OF CLENBUTEROL AND OTHER UNAPPROVED DRUGS IS PROHIBITED.**

All exhibitors, immediate family and any other party involved in the unethical fitting and showing of an animal, will be barred from exhibiting or showing at this fair and will forfeit all premiums, prize money and awards won in any Junior and/or open class divisions.

SHOULD FRAUD OR DECEPTION, AND PROOF, AS DETERMINED BY THE AGRICULTURAL SOCIETY, BE DISCOVERED AFTER THE ANIMAL OR ANIMALS HAVE BEEN SHOWN AND PRIOR TO THE SALE, such animal(s) shall not be permitted to sell. The animals placing next in line at the show shall move up.

SHOULD A VIOLATION BE DISCOVERED AFTER SALE, all sale money shall be returned to the buyer and the animal, carcass or carcass value shall be returned to the exhibitor. All places in show will stand. NO animals will move up. Any carcass suspected of being tampered with or suspect of containing drugs will be detained until the investigation is complete.

IF THE CARCASS IS CONDEMNED at the packaging plant for any reason, it shall be grounds for disqualification in the on-foot and carcass division of the show. Additionally, all premiums and sale money shall be forfeited and the loss of the animal be incurred by the exhibitor.

RULE VIOLATIONS

In the question of a rule violation, the following due process will be used: The exhibitor and/or parties involved will be questioned by Fair officials. If it is felt a violation has occurred, Fair officials will make recommendations to the designated committee of the Agricultural Society which is appointed to that particular department. After the committee hears the allegations and/or evidence, they will decide if the case should be brought before the full Board of Directors.

In the decision of allegations being brought before the Board, all parties involved will be notified of a meeting date with all parties having the right to present their views and/or evidence. Upon hearing the case, the Fairboard will make a ruling.

When satisfactory evidence has been obtained by the Fairboard that any of the livestock rules have been violated, the exhibitor, a member of the exhibitor's family, or any other person shown to have care, custody or attendance of the animal in any way, may be banned from showing in any future agricultural fairs. The minimum number of years for disbarment is three (3) years before the right to a review. In case any premium shall have been awarded to animals shown in violation of the rule, the Fairboard will require the exhibitor to refund all premiums, trophies, awards, ribbons and sale money under each violation. Unless fraud and/or deception are involved, all championship placings stand.

PROTESTS

Refer to the Protest Section listed under Rules and Regulations in the front of the complete Fairbook for the procedures to file a protest.

CODE OF PRACTICES

- To make management decisions based on scientific fact and to consider the welfare of my animals.

Kid must be identified as born and bred at time of tagging.

There will be classes for both Boer and Boer Cross Market Goats and classes for Dairy Market Goats. The purpose in adding another show to the Junior Fair Schedule is to encourage

more participation and to allow more participants to have a chance at placing. Junior Fair exhibitors will not be allowed additional animals in order to show in this class but may be eligible for this opportunity if their two kids meet the requirements as stated. This class will have a different judge. The Grand Champion and Reserve Champion of the Sunday classes would be welcome to enter as long as they fulfill the requirements as stated previously. The Grand and Reserve Champion Born and Raised Market Goats would not be required to go to slaughter. These Champions will be allowed to sell at the beginning of the sale after the other Champions from the Sunday Show if they are not the same animal. This would put them in the 5th-8th slot.

Girl Scouts of Western Ohio

Junior Fairboard Member:

Girl Scouts in Darke County is made up of two volunteer-led Service Units who support 370 girls and 120 adult members. East (Ansonia, Bradford, North Star and Versailles) and Treaty Tri-South (Greenville, Gettysburg, Arcanum, New Madison, Pittsburg, and Union City) Service Units are a part of the Girl Scouts of Western Ohio Council. Girl Scouts of Western Ohio is one of the top ten largest councils in the USA and serves nearly 50,000 girls in a 32 county area throughout western Ohio and southeast Indiana.

More than 15,000 trained volunteers work to provide services and deliver the Girl Scout Leadership Experience to girls. There are four regional Girl Scout Centers located in Cincinnati, Dayton, Lima and Toledo.

Any girl of school age can join in the fun within the five age levels: Daisy, Brownie, Junior, Cadette, Senior and Ambassador. Activities vary with each level. By the time a girl is in 8th grade, she may have already gone skiing, scuba-diving, camping, archery, horseback riding, or even tried a high ropes challenge course. No matter what a troop tries, it's bound to be fun for all!

Girl Scouting is definitely more than fun and games, however, community service is a major part of Scouting and is emphasized at all age levels in all communities.

For further information, contact Girl Scouts of Western Ohio, Buckeye Trails Regional Office at 1-800-233-4845.

. . . SCOUTING . . .
SERVES THE COMMUNITY

The Boy Scouts of America is a ready and eager partner in every community effort to build boys into men of character and train them for their citizenship responsibilities. Scouting is a program in which boys of eight years and up can learn how to do things for themselves and for other people. It is a program that develops physical fitness, self-reliance, courage, and high ideals of service to God and Country.

These things are accomplished in partnership with the home, the school, the church and other institutions which accept responsibility for the proper guidance and education of boys and young men in the community. In fact, every Unit of Scouts must be sponsored by an established institution such as a school, church or synagogue, civic, farm, labor or business organization, or a responsible group of citizens, representative of the community as a whole.

Any established community institution may adopt all or part of the Whole Scout Family:

A Pack for Cub Scouts, 7 through 10.

A Troop for Boy Scouts, 11 through 18.

An Explorer Post, Sea Explorer Ship or Air Explorer Squadron, for young men 14 and older.

Every boy and young man within this age span in Darke County should have the opportunity to become a Cub Scout, a Boy Scout or an Explorer. Persons interested, phone 937-278-4825 or 937-569-2059. The following websites also have information available, www.mvbsa.com or www.beascout.org.

Gateway Youth Programs was developed under the Council on Rural Services umbrella in 1988.

Our mission: to provide a unique mix of learning and social experience to develop competence, motivation and behavior for a better life and stronger community.

Our objective: to improve the quality of life and skills of youth by providing non-therapeutic counseling to youth and their families.

Our focus: to improve skills in conflict resolution, communication, anger management, self-esteem, decision-making, and socialization skills.

Prevention and intervention services include the following: school visits, home visits with youth/family, office visits with youth/family, groups, recreational activities, mentoring, communication with other service providers and special events.

Our youth advocates work directly in the schools to teach life and coping skills through our Community Connectors program. We provide students with positive role models to motivate and inspire them to see beyond their current situation. This is accomplished by building character, resiliency, goal setting, and developing pathways to achievement that lead to success in school and the workplace.

Groups are created based on needs and interests of the students. Topics include: self-esteem, life skills, job training, healthy relationships, media literacy, book club, men's group, girl's group, leadership, exploring art, fitness and nutrition, alcohol and drug prevention and running. During the summer, activities are facilitated at our office or within the community and include field trips and special projects/events.

If you would like more information about the programs, you can contact us at 937-548-8002 or visit our website at www.gatewayyouthprograms.org or our Facebook page at facebook.com/gatewayyouthprograms.

We Are The Majority of Darke County is a youth-led prevention program ran by the Recovery and Wellness agency.

We Are The Majority was started at the state level through Governor Kasich office and was then brought to Darke County about 10 years ago as a way to promote and celebrate teens living a healthy life style. Contrary to what you may hear or read, the majority of young people are not participating in substance misuse. In fact, many of them are actively campaigning to make sure they and their peers avoid risky behaviors like drinking, drug use, and physical violence.

We Are The Majority has teen leaders in many of the Darke County Schools who help plan and implement healthy and positive programs for younger students. Teen leaders serve as role models for these younger students. Leaders are trained by RWC Prevention Specialist staff to teach lessons from evidenced based curriculums like Botvin Life Skills, Too Good For Drug, and the Catch My Breath series which focuses on vaping education, coping skills, self-esteem, peer pressure refusal skills, building social skills, etc. Teen leaders also plan a summer camp every year along with many other positive activities like dodgeball, kickball, skating, pool days, etc.

If you would like more information about We Are The Majority, you can contact us at 937-548-6842 or join our Facebook page to get involved in activities at Darke County We Are The Majority | Facebook.
