There was much discussion about the senior fairboards proposed phases to spend the money donated from the original plan. The goat committee was asked to share a show ring with either the hogs or cattle. There was discussion about when the goats would be able to fit in their show times. As a committee, we weren't sure where our junior fair shows or open shows would fit into sharing a show ring. Also, the goat barn is in bad shape and needs some major repairs.

**We as a goat committee do not agree with Phase 1 as proposed by the senior fairboard.** (Dustin Fourman motioned and Gary Knick 2nd, vote passes with 10 yeas and 0 nays)

Gary Knick motioned to adjourn the meeting and Dustin Fourman 2nd

**Next meeting: Tuesday, March 7st at 7:30 pm**
