Vickie is planning on using Martech again because she hasn't been told about getting Show Works for the Sale. There will is no training until later and not enough time to train others. Our computers are not able to do Show Works. Betsy will contact OSU to see if they use Show Works for their sale. It was discussed that Miami County uses Show Works. Breeders World Final Drive is what Mercer County uses. We have had buyers say they want to follow that. Wendy Rauh is the contact. We need to contact her to see if it is compatible with QuickBooks. Miami County Exhibitors put their own profile online. Jacob will contact Breeders World and ask questions about the costs, entries, size of computers needed etc. Also ask if they would be willing to come to our meeting.

Discussed how Live auction will be first then add on can be done online. We need questions for down the road if we are changing things. Question was brought up if we will allow selling of breeding stock.

Jacob made a motion to adjourn the meeting and was seconded by Holly. Motion passed.

Next meeting January 15, 2024 Secretary's office 7:00 p.m.
